## Skills

My experiences have equipped me with a good technical knowledge and good practice of tools as Photoshop, Illustrator, Indesign. I also have good illustration skills and I like communicate concepts with my personal illustration style.

I have a good knowledge of UX principles, I'm able to use Axure, Balsamiq and InVision for the creation of wireframe, flowchart and dynamic prototypes.

I have a good understanding of the whole design process.

## Languages

Italian: mother tongue

English: fluent spoken and written
